Abstract

This document serves as an example L^AT_EX main.tex file. It demonstrates a common structure used in academic and technical writing.

1 Introduction

This is the introduction section. L^AT_EX is widely used for scientific documents due to its excellent typesetting quality and mathematical support.

2 Mathematics Example

Inline math example: $E = mc^2$.

Displayed equation:

$$\int_0^\infty e^{-x^2} dx = \frac{\sqrt{\pi}}{2} \quad (1)$$

3 Figures

Figure example:

Figure 1: Example figure

4 Tables

Item	Quantity	Price (€)
Apples	3	2.50
Oranges	5	3.20
Bananas	2	1.10

Table 1: Example table

5 Conclusion

This example demonstrates:

- Document structure
- Math typesetting
- Figures and tables

And finally, a citation to an important work [1].
